Articulation Agreement

Northeast Iowa Community College Iowa Bachelor of Science in Health Care Business with a major in Health Information Administration

Effective Fall 2016

Clarkson College accepts transfer credit from Northeast Iowa Community College. The articulation agreement shows how courses completed at Northeast Iowa Community College will be transferred to Clarkson College. It is important for students transferring credit to Clarkson College to submit a final official transcript after completing all course work from other institutions. Students must receive a grade of "C-" or higher to be considered for transfer credit. Clarkson College does not accept transfer credit for courses taken after enrollment at Clarkson College.
