## ROCK PAINTING: SHARING SMILES ONE ROCK AT A TIME 97121

*Maureen Honzik Michel, Decorah Rocks*

What's with painted rocks going viral? Well, it's not just about painting. It's also about hiding decorated rocks outdoors and hunting for these treasures that others have made. If you're interested in getting started on the craze, join this class to learn some unique rock painting tricks. Then spread smiles by hiding some rocks around the campus for someone else to discover!

## STEM: ENGINEERING CHALLENGE 97123

*Bev Berns, School Improvement Facilitator at Keystone*

Engineers are GREAT problem solvers and innovators! Use your creativity to design, build and test solutions for a variety of challenges.

## FITNESS AND FUN 97122

*Decorah Parks and Recreation*

Spend time outside with your friends (weather permitting) playing sports and outdoor activities like soccer, kickball, football and more of your other favorite games. We will focus on skill work, working as a team and fun! If you enjoy playing outside, smiling and playing team games that you will want to keep playing the rest of the summer...this is the session for you.

10:30 AM-NOON

## KIDS IN THE DAIRY BARN 97124

*Brenna Connelly, Iowa's Dairy Center*

Cows are cool! Spend a week getting to know our cows at Iowa's Dairy Center on the NICC campus. You'll have hands-on experience learning about cows and the dairy farm of the future. Enjoy activities in the barn, watch cows be milked by a robot and top off your "moo-ving" week by making homemade ice cream!

## KIDS PHYSICS AND CHEMISTRY 97125

*Ana Olson-Johnson, South Winneshiek Teacher*

Love science and experiments? Join this class for experiments and demonstrations to learn about physics and chemistry. Every day will be something new!

## MUSIC EXPLORATION LAB 97126

*Connie Formanek, South Winneshiek Teacher*

Experiment with sound stations, learning new dances and composing your own music. Learn about how sound is created and modified, different dance sequences and the basics of how to compose a song.

## PAINTING WITH BLEPTA STUDIOS 97128

*Sara Neuzil, Blepta Studios*

Let's explore the world of painting! We supply the paint, and you supply the creativity. Learn the basics of painting, such as colors, brushes, techniques and more. The results are sure to be a work of art you can take home and display!

## CAMP SCRUBS 97127

*Gundersen Palmer Lutheran Hospital & Clinics*

Scrub up and enter the world of medicine. Learn about many fields in healthcare from the experts at Gundersen Palmer Lutheran Hospital & Clinics. Discover what it takes to be a nurse, paramedic, respiratory therapist and a radiologic technologist through hands-on experience.

## SMALL ANIMAL CARE 97129

*Ed Wadsworth, South Winneshiek Teacher*

Rabbits, chickens, goats, hedgehogs and more! If you love animals, this session will teach you about animals and how to care for them.

3-4:30 PM

## AGSPLOATION 97132

*Delaney Holthe, ISU Extension*

Explore the different areas of agriculture with ISU Extension and Outreach! From crops and natural resources to animals, there are many ways that Iowa farms provide for the world!

## IT'S SEW FUN! 97131

*Janice Kuboushek, Crafter Extraordinaire*

Sewing... it's easy to learn and it's "sew" fun. We'll show you hand-sewing techniques and introduce you to a sewing machine. You'll make a project in class that you get to take home!

## RESCUE SQUAD 97130

*Various Local Emergency Personnel*

Ever see the inside of an ambulance? Wonder what firefighters do when they aren't at a fire? Come explore the safety tools and equipment used by emergency responders. Participate in hands-on activities that let you learn about law enforcement, paramedics and firefighting. You'll understand how important our emergency responders are and why you might want to be one of them someday.
